Write your biography here. Tell the world about yourself. Link to your favorite `subreddit`. You can put a picture in, too. The code is already in, just name your picture `prof_pic.jpg` and put it in the `img/` folder.

Put your address / P.O. box / other info right below your picture. You can also disable any of these elements by editing `profile` property of the YAML header of your `_pages/about.md`. Edit `_bibliography/papers.bib` and Jekyll will render your `publications` page automatically.

Link to your social media connections, too. This theme is set up to use `Font Awesome icons` and `Academicons`, like the ones below. Add your Facebook, Twitter, LinkedIn, Google Scholar, or just disable all of them.

Write your biography here. Tell the world about yourself. Link to your favorite `subreddit`. You can put a picture in, too. The code is already in, just name your picture `prof_pic.jpg` and put it in the `img/` folder.

Put your address / P.O. box / other info right below your picture. You can also disable any these elements by editing `profile` property of the YAML header of your `_pages/about.md`. Edit `_bibliography/papers.bib` and Jekyll will render your `publications` page automatically.

Link to your social media connections, too. This theme is set up to use `Font Awesome icons` and `Academicons`, like the ones below. Add your Facebook, Twitter, LinkedIn, Google Scholar, or just disable all of them.
